50X1-HUM

2. A series of Soviet-Rumanian joint companies to exploit Rumanian polytheneum will be established.
3. A series of joint companies will be formed for prospecting and extracting all believed Rumanian subterranean minerals not hitherto exploited, as well as for the extension of existing exploitations.
5. New joint companies will be formed for the extension of coal, petroleum and metal exploitation.
4. Contracts for new joint companies will be for 20 years.
5. A new protocol will be drawn up to cover the extension of the activity of existing joint companies.
6. In case of threat to Rumania from air or by invasion, all Rumanian industrial plants producing war material will be transferred to the USSR to avoid destruction.
7. Soviets to supply all materials required for construction, reconstruction and equipment of 120 airfields. The work is to extend over three years.
